**Item 6. Indemnification of Directors and Officers.**

Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our certificate of incorporation will provide for this limitation of liability.

Section 145 of the DGCL ("Section 145") provides that a Delaware corporation may indemnify any person who was, is or is threatened to be made, party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. A Delaware corporation may indemnify any persons who are, were or are a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, provided that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

---

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

Pursuant to the Company's bylaws, we will indemnify our directors and officers to the fullest extent authorized by the DGCL and must also pay expenses incurred in defending any such proceeding in advance of its final disposition upon delivery of an undertaking, by or on behalf of an indemnified person, to repay all amounts so advanced if it should be determined ultimately that such person is not entitled to be indemnified under this section or otherwise.

The Company will enter into indemnification agreements with each of its executive officers and directors. The indemnification agreements will provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under the DGCL.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of the Company's certificate of incorporation or bylaws, agreement, vote of shareholders or disinterested directors or otherwise.

The Company maintains standard policies of insurance that provide coverage (1) to the Company's directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and (2) to the Company with respect to indemnification payments that the Company may make to such directors and officers. The form of Underwriting Agreement filed as Exhibit 1.1 to the Company's Amendment No. 1 to the Registration Statement on Form S-1 (Registration No. 333-252853) provides for indemnification of the Company's directors and officers by the underwriters party thereto against certain liabilities.

**Item 9. Undertakings.**

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(3) the consummation of a merger, consolidation, share exchange, or similar form of corporate transaction involving the Company or any of its Affiliates that requires the approval of the Company's stockholders (whether for such transaction, the issuance of securities in the transaction, or otherwise) (a "Reorganization"), unless, immediately following such Reorganization, (i) more than 50% of the total voting power of (A) the corporation resulting from such Reorganization (the "Surviving Company"), or (B) if applicable, the ultimate parent corporation that has, directly or indirectly, beneficial ownership of 100% of the voting securities of the Surviving Company (the "Parent Company"), is represented by Company Voting Securities that were outstanding immediately prior to such Reorganization (or, if applicable, is represented by shares into which such Company Voting Securities were converted pursuant to such Reorganization), and such voting power among the holders thereof is in substantially the same proportion as the voting power of such Company Voting Securities among holders thereof immediately prior to such Reorganization, (ii) no person, other than an employee benefit plan sponsored or maintained by the Surviving Company or the Parent Company (or its related trust), is or becomes the beneficial owner, directly or indirectly, of 50% or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Company or, if there is no Parent Company, the Surviving Company, and (iii) following the consummation of such Reorganization, at least a majority of the members of the board of directors of the Parent Company or, if there is no Parent Company, the Surviving Company are members of the Incumbent Board at the time of the Board's approval of the execution of the initial agreement providing for such Reorganization (any Reorganization which satisfies all of the criteria specified in clauses (i), (ii), and (iii) above shall be a "Non-Control Transaction"); or

Notwithstanding the foregoing, (x) a Change in Control shall not be deemed to occur solely because any person acquires beneficial ownership of 50% or more of the Company Voting Securities as a result of an acquisition of Company Voting Securities by the Company that reduces the number of Company Voting Securities outstanding; *provided* that, if after such acquisition by the Company, such person becomes the beneficial owner of additional Company Voting Securities that increases the percentage of outstanding Company Voting Securities beneficially owned by such person, a Change in Control shall then be deemed to occur, and (y) with respect to the payment of any amount that constitutes a deferral of compensation subject to Section 409A of the Code payable upon a Change in Control, a Change in Control shall not be deemed to have occurred, unless the Change in Control constitutes a change in the ownership or effective control of the Company or in the ownership of a substantial portion of the assets of the Company under Section 409A(a)(2)(A)(v) of the Code.

### 3. **Administration.**

(a) Authority of the Committee. Except as otherwise provided below, the Plan shall be administered by the Committee. The Committee shall have full and final authority, in each case, subject to and consistent with the provisions of the Plan, to (1) select Eligible Persons to become Participants; (2) grant Awards; (3) determine the type, number, and type of shares of Stock subject to, other terms and conditions of, and all other matters relating to, Awards; (4) prescribe Award Agreements (which need not be identical for each Participant) and rules and regulations for the administration of the Plan; (5) construe and interpret the Plan and Award Agreements and correct defects, supply omissions, and reconcile inconsistencies therein; (6) suspend the right to exercise Awards during any period that the Committee deems appropriate to comply with applicable securities laws, and thereafter extend the exercise period of an Award by an equivalent period of time or such shorter period required by, or necessary to comply with, applicable law; and (7) make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Plan. Any action of the Committee shall be final, conclusive, and binding on all Persons, including, without limitation, the Company, its stockholders and Affiliates, Eligible Persons, Participants, and beneficiaries of Participants. Notwithstanding anything in the Plan to the contrary, the Committee shall have the ability to accelerate the vesting of any outstanding Award at any time and for any reason, including upon a Corporate Event, subject to Section 10(d), or in the event of a Participant’s Termination by the Service Recipient other than for Cause, or due to the Participant’s death, Disability, or retirement (as such term may be defined in an applicable Award Agreement or Participant Agreement or, if no such definition exists, in accordance with the Company’s then-current employment policies and guidelines). For the avoidance of doubt, the Board shall have the authority to take all actions under the Plan that the Committee is permitted to take.

(b) Manner of Exercise of Committee Authority. At any time that a member of the Committee is not a Qualified Member, any action of the Committee relating to an Award granted or to be granted to a Participant who is then subject to Section 16 of the Exchange Act in respect of the Company must be taken by the remaining members of the Committee or a subcommittee, designated by the Committee or the Board, composed solely of two or more Qualified Members (a “Qualifying Committee”). Any action authorized by such a Qualifying Committee shall be deemed the action of the Committee for purposes of the Plan. The express grant of any specific power to a Qualifying Committee, and the taking of any action by such a Qualifying Committee, shall not be construed as limiting any power or authority of the Committee.

(c) Delegation. To the extent permitted by applicable law, the Committee may delegate to officers or employees of the Company or any of its Affiliates, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform such functions under the Plan, including, but not limited to, administrative functions, as the Committee may determine appropriate. The Committee may appoint agents to assist it in administering the Plan. Any actions taken by an officer or employee delegated authority pursuant to this Section 3(c) within the scope of such delegation shall, for all purposes under the Plan, be deemed to be an action taken by the Committee. Notwithstanding the foregoing or any other provision of the Plan to the contrary, any Award granted under the Plan to any Eligible Person who is not an employee of the Company or any of its Affiliates (including any non-employee director of the Company or any Affiliate) or to any Eligible Person who is subject to Section 16 of the Exchange Act must be expressly approved by the Committee or Qualifying Committee in accordance with Section 3(b) above.

(d) Sections 409A and 457A. The Committee shall take into account compliance with Sections 409A and 457A of the Code in connection with any grant of an Award under the Plan, to the extent applicable. While the Awards granted hereunder are intended to be structured in a manner to avoid the imposition of any penalty taxes under Sections 409A and 457A of the Code, in no event whatsoever shall the Company or any of its Affiliates be liable for any additional tax, interest, or penalties that may be imposed on a Participant as a result of Section 409A or Section 457A of the Code or any damages for failing to comply with Section 409A or Section 457A of the Code or any similar state or local laws (other than for withholding obligations or other obligations applicable to employers, if any, under Section 409A or Section 457A of the Code).

4. **Shares Available Under the Plan; Other Limitations.**

(a) **Number of Shares Available for Delivery.** Subject to adjustment as provided in Section 10 hereof, the total number of shares of Stock reserved and available for delivery in connection with Awards under the Plan shall equal 14,700,000. Shares of Stock delivered under the Plan shall consist of authorized and unissued shares or previously issued shares of Stock reacquired by the Company on the open market or by private purchase. Notwithstanding the foregoing, (i) except as may be required by reason of Section 422 of the Code, the number of shares of Stock available for issuance hereunder shall not be reduced by shares issued pursuant to Awards issued or assumed in connection with a merger or acquisition as contemplated by, as applicable, NYSE Listed Company Manual Section 303A.08, NASDAQ Listing Rule 5635(c) and IM-5635-1, AMEX Company Guide Section 711, or other applicable stock exchange rules, and their respective successor rules and listing exchange promulgations (each such Award, a “Substitute Award”), and (ii) shares of Stock shall not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is settled in cash.

(b) **Share Counting Rules.** The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double-counting (as, for example, in the case of tandem awards or Substitute Awards), and make adjustments if the number of shares of Stock actually delivered differs from the number of shares previously counted in connection with an Award. Other than with respect to a Substitute Award, to the extent that an Award expires or is canceled, forfeited, settled in cash, or otherwise terminated without delivery to the Participant of the full number of shares of Stock to which the Award related, the undelivered shares of Stock will again be available for grant. Shares of Stock withheld or surrendered in payment of taxes relating to an Award shall not be deemed to constitute shares delivered to the Participant and shall be deemed to again be available for delivery under the Plan. Shares of Stock withheld or surrendered in payment of the exercise price relating to an Award shall be deemed to constitute shares delivered to the Participant and shall not be deemed to again be available for delivery under the Plan.

(c) **Incentive Stock Options.** No more than 14,700,000 shares of Stock (subject to adjustment as provided in Section 10 hereof) reserved for issuance hereunder may be issued or transferred upon exercise or settlement of Incentive Stock Options.

(d) Shares Available Under Acquired Plans. To the extent permitted by NYSE Listed Company Manual Section 303A.08, NASDAQ Listing Rule 5635(c), or other applicable stock exchange rules, subject to applicable law, in the event that a company acquired by the Company, or with which the Company combines, has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio of formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the number of shares of Stock reserved and available for delivery in connection with Awards under the Plan; *provided*, that, Awards using such available shares shall not be made after the date awards could have been made under the terms of such pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not employed by the Company or any subsidiary of the Company immediately prior to such acquisition or combination.

(e) Limitation on Awards to Non-Employee Directors. Notwithstanding anything herein to the contrary, the maximum value of any Awards granted to a non-employee director of the Company in any one calendar year, taken together with any cash fees paid to such non-employee director during such calendar year in respect of the non-employee director's services as a member of the Board during such year, shall not exceed \$600,000 (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes); *provided*, that, the Committee may make exceptions to this limit, except that the non-employee director receiving such additional compensation may not participate in the decision to award such compensation.

5. **Options.**

(a) General. Certain Options granted under the Plan may be intended to be Incentive Stock Options; however, no Incentive Stock Options may be granted hereunder following the tenth anniversary of the earlier of (i) the date the Plan is adopted by the Board, and (ii) the date the stockholders of the Company approve the Plan. Options may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate; *provided, however*, that Incentive Stock Options may be granted only to Eligible Persons who are employees of the Company or an Affiliate (as such definition is limited pursuant to Section 2(o) hereof) of the Company. The provisions of separate Options shall be set forth in separate Option Agreements, which agreements need not be identical. No dividends or dividend equivalents shall be paid on Options.

(b) Term. The term of each Option shall be set by the Committee at the time of grant; *provided, however*, that no Option granted hereunder shall be exercisable after, and each Option shall expire, ten years from the date it was granted. Notwithstanding the foregoing, in the event that, on the last business day of the term of an Option, (i) the exercise of the Option is prohibited by applicable law or (ii) Stock may not be purchased or sold by certain employees or directors of the Company due to the imposition of a “black-out period” under a Company policy or a “lock-up” agreement undertaken in connection with an issuance of securities by the Company, the Committee may (but is not required to) provide that the term of the Option shall be extended, but not beyond a period of 30 days following the end of the legal prohibition, black-out period or lock-up agreement, and provided, further, that no such extension will be made if the exercise price of such Option as of the date the initial term would otherwise expire is above the Fair Market Value of a share of Stock.

(c) Exercise Price. The exercise price per share of Stock for each Option shall be set by the Committee at the time of grant and shall not be less than the Fair Market Value on the date of grant, subject to Section 5(g) hereof in the case of any Incentive Stock Option. Notwithstanding the foregoing, in the case of an Option that is a Substitute Award, the exercise price per share of Stock for such Option may be less than the Fair Market Value on the date of grant; *provided*, that, such exercise price is determined in a manner consistent with the provisions of Section 409A of the Code and, if applicable, Section 424(a) of the Code.

(d) Payment for Stock. Payment for shares of Stock acquired pursuant to an Option granted hereunder shall be made in full upon exercise of the Option in a manner approved by the Committee, which may include any of the following payment methods: (1) in immediately available funds in U.S. dollars, or by certified or bank cashier’s check; (2) by delivery of shares of Stock having a value equal to the exercise price; (3) by a broker-assisted cashless exercise in accordance with procedures approved by the Committee, whereby payment of the Option exercise price or tax withholding obligations may be satisfied, in whole or in part, with shares of Stock subject to the Option by delivery of an irrevocable direction to a securities broker (on a form prescribed by the Committee) to sell shares of Stock and to deliver all or part of the sale proceeds to the Company in payment of the aggregate exercise price and, if applicable, the amount necessary to satisfy the Company’s withholding obligations; or (4) by any other means approved by the Committee (including, by delivery of a notice of “net exercise” to the Company, pursuant to which the Participant shall receive (i) the number of shares of Stock underlying the Option so exercised, reduced by (ii) the number of shares of Stock equal to (A) the aggregate exercise price of the Option divided by (B) the Fair Market Value on the date of exercise). Notwithstanding anything herein to the contrary, if the Committee determines that any form of payment available hereunder would be in violation of Section 402 of the Sarbanes-Oxley Act of 2002, such form of payment shall not be available.

(e) Vesting. Options shall vest and become exercisable in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case, as may be determined by the Committee and set forth in an Option Agreement. Unless otherwise specifically determined by the Committee, the vesting of an Option shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant’s Termination for any or no reason. To the extent permitted by applicable law and unless otherwise determined by the Committee, vesting shall be suspended during the period of any approved unpaid leave of absence by a Participant following which the Participant has a right to reinstatement and shall resume upon such Participant’s return to active employment. If an Option is exercisable in installments, such installments or portions thereof that become exercisable shall remain exercisable until the Option expires, is canceled, or otherwise terminates.

(f) Termination of Employment or Service. Except as provided by the Committee in an Option Agreement, Participant Agreement, or otherwise:

(1) In the event of a Participant's Termination prior to the applicable Expiration Date for any reason other than (i) by the Service Recipient for Cause, or (ii) by reason of the Participant's death or Disability, (A) all vesting with respect to such Participant's Options outstanding shall cease; (B) all of such Participant's unvested Options outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (C) all of such Participant's vested Options outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 90 days after the date of such Termination.

(2) In the event of a Participant's Termination prior to the applicable Expiration Date by reason of such Participant's death or Disability, (i) all vesting with respect to such Participant's Options outstanding shall cease; (ii) all of such Participant's unvested Options outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (iii) all of such Participant's vested Options outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 12 months after the date of such Termination.

(3) In the event of a Participant's Termination prior to the applicable Expiration Date by the Service Recipient for Cause, all of such Participant's Options outstanding (whether or not vested) shall immediately terminate and be forfeited for no consideration as of the date of such Termination.

(g) Special Provisions Applicable to Incentive Stock Options.

(1) No Incentive Stock Option may be granted to any Eligible Person who, at the time the Option is granted, owns directly, or indirectly within the meaning of Section 424(d) of the Code, Stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of any parent or subsidiary thereof, unless such Incentive Stock Option (i) has an exercise price of at least 110% of the Fair Market Value on the date of the grant of such Option, and (ii) cannot be exercised more than five years after the date it is granted.

(2) To the extent that the aggregate Fair Market Value (determined as of the date of grant) of Stock for which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company and its Affiliates) exceeds \$100,000, such excess Incentive Stock Options shall be treated as Nonqualified Stock Options.

(3) Each Participant who receives an Incentive Stock Option must agree to notify the Company in writing immediately after the Participant makes a Disqualifying Disposition of any Stock acquired pursuant to the exercise of an Incentive Stock Option.

6. **Restricted Stock.**

(a) General. Restricted Stock may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate. The provisions of separate Awards of Restricted Stock shall be set forth in separate Restricted Stock Agreements, which Restricted Stock Agreements need not be identical. Subject to the restrictions set forth in Section 6(b) hereof, and except as otherwise set forth in the applicable Restricted Stock Agreement, the Participant shall generally have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock. Unless otherwise set forth in a Participant's Restricted Stock Agreement, cash dividends and stock dividends, if any, with respect to the Restricted Stock shall be withheld by the Company for the Participant's account, and shall be subject to forfeiture to the same degree as the shares of Restricted Stock to which such dividends relate. Except as otherwise determined by the Committee, no interest will accrue or be paid on the amount of any cash dividends withheld.

(b) Vesting and Restrictions on Transfer. Restricted Stock shall vest in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case, as may be determined by the Committee and set forth in a Restricted Stock Agreement. Unless otherwise specifically determined by the Committee, the vesting of an Award of Restricted Stock shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any or no reason. To the extent permitted by applicable law and unless otherwise determined by the Committee, vesting shall be suspended during the period of any approved unpaid leave of absence by a Participant following which the Participant has a right to reinstatement and shall resume upon such Participant's return to active employment. In addition to any other restrictions set forth in a Participant's Restricted Stock Agreement, the Participant shall not be permitted to sell, transfer, pledge, or otherwise encumber the Restricted Stock prior to the time the Restricted Stock has vested pursuant to the terms of the Restricted Stock Agreement.

(c) Termination of Employment or Service. Except as provided by the Committee in a Restricted Stock Agreement, Participant Agreement, or otherwise, in the event of a Participant's Termination for any or no reason prior to the time that such Participant's Restricted Stock has vested, (1) all vesting with respect to such Participant's Restricted Stock outstanding shall cease; and (2) as soon as practicable following such Termination, the Company shall repurchase from the Participant, and the Participant shall sell, all of such Participant's unvested shares of Restricted Stock at a purchase price equal to the lesser of (A) the original purchase price paid for the Restricted Stock (as adjusted for any subsequent changes in the outstanding Stock or in the capital structure of the Company), less any dividends or other distributions or bonus received (or to be received) by the Participant (or any transferee) in respect of such Restricted Stock prior to the date of repurchase, and (B) the Fair Market Value of the Stock on the date of such repurchase; provided that, if the original purchase price paid for the Restricted Stock is equal to zero dollars (\$0), such unvested shares of Restricted Stock shall be forfeited to the Company by the Participant for no consideration as of the date of such Termination.

7. **Restricted Stock Units.**

(a) General. Restricted Stock Units may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate. The provisions of separate Restricted Stock Units shall be set forth in separate RSU Agreements, which RSU Agreements need not be identical.

(b) Vesting. Restricted Stock Units shall vest in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case, as may be determined by the Committee and set forth in an RSU Agreement. (c) Settlement. Restricted Stock Units shall be settled in Stock, cash, or property, as determined by the Committee, in its sole discretion, on the date or dates determined by the Committee and set forth in an RSU Agreement. Unless otherwise set forth in a Participant's RSU Agreement, a Participant shall not be entitled to dividends, if any, or dividend equivalents with respect to Restricted Stock Units prior to settlement.

(d) Termination of Employment or Service. Except as provided by the Committee in an RSU Agreement, Participant Agreement, or otherwise, in the event of a Participant's Termination for any or no reason prior to the time that such Participant's Restricted Stock Units have been settled, (1) all vesting with respect to such Participant's Restricted Stock Units outstanding shall cease; (2) all of such Participant's unvested Restricted Stock Units outstanding shall be forfeited for no consideration as of the date of such Termination; and (3) any shares remaining undelivered with respect to vested Restricted Stock Units then held by such Participant shall be delivered on the delivery date or dates specified in the RSU Agreement.

8. **Stock Appreciation Rights.**

(a) General. Stock Appreciation Rights may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate. The provisions of separate Stock Appreciation Rights shall be set forth in separate SAR Agreements, which SAR Agreements need not be identical. No dividends or dividend equivalents shall be paid on Stock Appreciation Rights.

(b) Term. The term of each Stock Appreciation Right shall be set by the Committee at the time of grant; *provided, however*, that no Stock Appreciation Right granted hereunder shall be exercisable after, and each Stock Appreciation Right shall expire, ten years from the date it was granted. Notwithstanding the foregoing, in the event that, on the last business day of the term of a Stock Appreciation Right, (i) the exercise of the Stock Appreciation Right is prohibited by applicable law or (ii) Stock may not be purchased or sold by certain employees or directors of the Company due to the imposition of a "black-out period" under a Company policy or a "lock-up" agreement undertaken in connection with an issuance of securities by the Company, the Committee may (but is not required to) provide that the term of the Stock Appreciation Right shall be extended, but not beyond a period of 30 days following the end of the legal prohibition, black-out period or lock-up agreement, and provided, further, that no such extension will be made if the base price of such Stock Appreciation Right as of the date the initial term would otherwise expire is above the Fair Market Value of a share of Stock.

(c) Base Price. The base price per share of Stock for each Stock Appreciation Right shall be set by the Committee at the time of grant and shall not be less than the Fair Market Value on the date of grant. Notwithstanding the foregoing, in the case of a Stock Appreciation Right that is a Substitute Award, the base price per share of Stock for such Stock Appreciation Right may be less than the Fair Market Value on the date of grant; *provided*, that, such base price is determined in a manner consistent with the provisions of Section 409A of the Code.

(d) Vesting. Stock Appreciation Rights shall vest and become exercisable in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case, as may be determined by the Committee and set forth in a SAR Agreement. Unless otherwise specifically determined by the Committee, the vesting of a Stock Appreciation Right shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any or no reason. To the extent permitted by applicable law and unless otherwise determined by the Committee, vesting shall be suspended during the period of any approved unpaid leave of absence by a Participant following which the Participant has a right to reinstatement and shall resume upon such Participant's return to active employment. If a Stock Appreciation Right is exercisable in installments, such installments, or portions thereof that become exercisable shall remain exercisable until the Stock Appreciation Right expires, is canceled, or otherwise terminates.

(e) Payment upon Exercise. Payment upon exercise of a Stock Appreciation Right may be made in cash, Stock, or property, as specified in the SAR Agreement or determined by the Committee, in each case, having a value in respect of each share of Stock underlying the portion of the Stock Appreciation Right so exercised, equal to the difference between the base price of such Stock Appreciation Right and the Fair Market Value of one share of Stock on the exercise date. For purposes of clarity, each share of Stock to be issued in settlement of a Stock Appreciation Right is deemed to have a value equal to the Fair Market Value of one share of Stock on the exercise date. In no event shall fractional shares be issuable upon the exercise of a Stock Appreciation Right, and in the event that fractional shares would otherwise be issuable, the number of shares issuable will be rounded down to the next lower whole number of shares, and the Participant will be entitled to receive a cash payment equal to the value of such fractional share.

(f) Termination of Employment or Service. Except as provided by the Committee in a SAR Agreement, Participant Agreement, or otherwise:

(1) In the event of a Participant's Termination prior to the applicable Expiration Date for any reason other than (i) by the Service Recipient for Cause, or (ii) by reason of the Participant's death or Disability, (A) all vesting with respect to such Participant's Stock Appreciation Rights outstanding shall cease; (B) all of such Participant's unvested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (C) all of such Participant's vested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 90 days after the date of such Termination.

(2) In the event of a Participant's Termination prior to the applicable Expiration Date by reason of such Participant's death or Disability, (i) all vesting with respect to such Participant's Stock Appreciation Rights outstanding shall cease; (ii) all of such Participant's unvested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (iii) all of such Participant's vested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 12 months after the date of such Termination. In the event of a Participant's death, such Participant's Stock Appreciation Rights shall remain exercisable by the Person or Persons to whom such Participant's rights under the Stock Appreciation Rights pass by will or by the applicable laws of descent and distribution until the applicable Expiration Date, but only to the extent that the Stock Appreciation Rights were vested at the time of such Termination.

(3) In the event of a Participant's Termination prior to the applicable Expiration Date by the Service Recipient for Cause, all of such Participant's Stock Appreciation Rights outstanding (whether or not vested) shall immediately terminate and be forfeited for no consideration as of the date of such Termination.

**9. Other Stock-Based and Cash-Based Awards.**

The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based upon or related to Stock or cash, as deemed by the Committee to be consistent with the purposes of the Plan. The Committee may also grant Stock or cash as a bonus (whether or not subject to any vesting requirements or other restrictions on transfer), and may grant other Awards in lieu of obligations of the Company or an Affiliate to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Committee. The terms and conditions applicable to such Awards shall be determined by the Committee and evidenced by Award Agreements, which agreements need not be identical.

**10. Adjustment for Recapitalization, Merger, etc.**

(a) Capitalization Adjustments. The aggregate number of shares of Stock that may be delivered in connection with Awards (as set forth in Section 4 hereof), the numerical share limits in Section 4(a) hereof, the number of shares of Stock covered by each outstanding Award, the price per share of Stock underlying each such Award and the applicable performance goal(s) with respect to an Award shall be equitably and proportionally adjusted or substituted, as determined by the Committee, in its sole discretion, as to the number, price, or kind of a share of Stock or other consideration subject to such Awards, (1) in the event of changes in the outstanding Stock or in the capital structure of the Company by reason of stock dividends, extraordinary cash dividends, stock splits, reverse stock splits, recapitalizations, reorganizations, mergers, amalgamations, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the date of grant of any such Award (including any Corporate Event); (2) in connection with any extraordinary dividend declared and paid in respect of shares of Stock, whether payable in the form of cash, stock, or any other form of consideration; or (3) in the event of any change in applicable laws or circumstances that results in or could result in, in either case, as determined by the Committee in its sole discretion, any substantial dilution or enlargement of the rights intended to be granted to, or available for, Participants in the Plan. In lieu of or in addition to any adjustment pursuant to this Section 10, if deemed appropriate, the Committee may provide that an adjustment take the form of a cash payment to the holder of an outstanding Award with respect to all or part of an outstanding Award, which payment shall be subject to such terms and conditions (including timing of payment(s), vesting, and forfeiture conditions) as the Committee may determine in its sole discretion. The Committee will make such adjustments, substitutions, or payment, and its determination will be final, binding, and conclusive. The Committee need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Committee may take different actions with respect to the vested and unvested portions of an Award.

(b) Corporate Events. Notwithstanding the foregoing, except as provided by the Committee in an Award Agreement, Participant Agreement, or otherwise, in connection with (i) a merger, amalgamation, or consolidation involving the Company in which the Company is not the surviving corporation; (ii) a merger, amalgamation, or consolidation involving the Company in which the Company is the surviving corporation but the holders of shares of Stock receive securities of another corporation or other property or cash; (iii) a Change in Control; or (iv) the reorganization, dissolution, or liquidation of the Company (each, a "Corporate Event"), the Committee may provide for any one or more of the following:

(1) The assumption or substitution of any or all Awards in connection with such Corporate Event, in which case the Awards shall be subject to the adjustment set forth in Section 10(a) hereof, and to the extent that such Awards vest subject to the achievement of performance criteria, such performance criteria shall be deemed earned at target level (or if no target is specified, the maximum level) and will be converted into solely service based vesting awards that will vest during the performance period, if any, during which the original performance criteria would have been measured;

(2) The acceleration of vesting of any or all Awards not assumed or substituted in connection with such Corporate Event, subject to the consummation of such Corporate Event; *provided* that unless otherwise set forth in an Award Agreement, any Awards that vest subject to the achievement of performance criteria will be deemed earned at target level (or if no target is specified, the maximum level), *provided, further*, that a Participant has not experienced a Termination prior to such Corporate Event;

(3) The cancellation of any or all Awards not assumed or substituted in connection with such Corporate Event (whether vested or unvested) as of the consummation of such Corporate Event, together with the payment to the Participants holding vested Awards (including any Awards that would vest upon the Corporate Event but for such cancellation) so canceled of an amount in respect of cancellation equal to an amount based upon the per-share consideration being paid for the Stock in connection with such Corporate Event, less, in the case of Options, Stock Appreciation Rights, and other Awards subject to exercise, the applicable exercise or base price; *provided, however*, that holders of Options, Stock Appreciation Rights, and other Awards subject to exercise shall be entitled to consideration in respect of cancellation of such Awards only if the per-share consideration less the applicable exercise or base price is greater than zero dollars (\$0), and to the extent that the per-share consideration is less than or equal to the applicable exercise or base price, such Awards shall be canceled for no consideration;

(4) The cancellation of any or all Options, Stock Appreciation Rights, and other Awards subject to exercise not assumed or substituted in connection with such Corporate Event (whether vested or unvested) as of the consummation of such Corporate Event; *provided*, that, all Options, Stock Appreciation Rights, and other Awards to be so canceled pursuant to this paragraph (4) shall first become exercisable for a period of at least ten days prior to such Corporate Event, with any exercise during such period of any unvested Options, Stock Appreciation Rights, or other Awards to be (A) contingent upon and subject to the occurrence of the Corporate Event, and (B) effectuated by such means as are approved by the Committee; and

(5) The replacement of any or all Awards (other than Awards that are intended to qualify as “stock rights” that do not provide for a “deferral of compensation” within the meaning of Section 409A of the Code) with a cash incentive program that preserves the value of the Awards so replaced (determined as of the consummation of the Corporate Event), with subsequent payment of cash incentives subject to the same vesting conditions as applicable to the Awards so replaced and payment to be made within 30 days of the applicable vesting date.

Payments to holders pursuant to paragraph (3) above shall be made in cash or, in the sole discretion of the Committee, and to the extent applicable, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or a combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of shares of Stock covered by the Award at such time (less any applicable exercise or base price). In addition, in connection with any Corporate Event, prior to any payment or adjustment contemplated under this Section 10(b), the Committee may require a Participant to (A) represent and warrant as to the unencumbered title to his or her Awards; (B) bear such Participant’s pro-rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Stock; and (C) deliver customary transfer documentation as reasonably determined by the Committee. The Committee need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Committee may take different actions with respect to the vested and unvested portions of an Award.

(c) Fractional Shares. Any adjustment provided under this Section 10 may, in the Committee’s discretion, provide for the elimination of any fractional share that might otherwise become subject to an Award. No cash settlements shall be made with respect to fractional shares so eliminated.

(d) Double-Trigger Vesting. Notwithstanding any other provisions of the Plan, an Award Agreement, or a Participant Agreement to the contrary, with respect to any Award that is assumed or substituted in connection with a Change in Control, the vesting, payment, purchase, or distribution of such Award may not be accelerated by reason of the Change in Control for any Participant, unless the Participant also experiences an involuntary Termination as a result of the Change in Control. Unless otherwise provided for in an Award Agreement or a Participant Agreement, all Awards held by a Participant who experiences an involuntary Termination as a result of a Change in Control shall immediately vest as of the date of such Termination. For purposes of this Section 10(d), a Participant will be deemed to experience an involuntary Termination as a result of a Change in Control if the Participant experiences a Termination by the Service Recipient other than for Cause, or otherwise experiences a Termination under circumstances which entitle the Participant to mandatory severance payment(s) pursuant to applicable law, or, in the case of a non-employee director of the Company, if the non-employee director’s service on the Board terminates in connection with or as a result of a Change in Control, in each case, at any time beginning on the date of the Change in Control up to and including the second anniversary of the Change in Control.

11. **Use of Proceeds.**

The proceeds received from the sale of Stock pursuant to the Plan shall be used for general corporate purposes.

12. **Rights and Privileges as a Stockholder.**

Except as otherwise specifically provided in the Plan, no Person shall be entitled to the rights and privileges of Stock ownership in respect of shares of Stock that are subject to Awards hereunder until such shares have been issued to that Person.

13. **Transferability of Awards.**

Awards may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution, and to the extent subject to exercise, Awards may not be exercised during the lifetime of the grantee other than by the grantee. Notwithstanding the foregoing, except with respect to Incentive Stock Options, Awards and a Participant's rights under the Plan shall be transferable for no value to the extent provided in an Award Agreement or otherwise determined at any time by the Committee.

14. **Employment or Service Rights.**

No individual shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for the grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any individual any right to be retained in the employ or service of the Company or an Affiliate of the Company.

15. **Compliance with Laws.**

The obligation of the Company to deliver Stock upon issuance, vesting, exercise, or settlement of any Award shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Stock pursuant to an Award, unless such shares have been properly registered for sale with the U.S. Securities and Exchange Commission pursuant to the Securities Act (or with a similar non-U.S. regulatory agency pursuant to a similar law or regulation), or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale or resale under the Securities Act any of the shares of Stock to be offered or sold under the Plan or any shares of Stock to be issued upon exercise or settlement of Awards. If the shares of Stock offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act, the Company may restrict the transfer of such shares and may legend the Stock certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

16. **Withholding Obligations.**

As a condition to the issuance, vesting, exercise, or settlement of any Award (or upon the making of an election under Section 83(b) of the Code), the Committee may require that a Participant satisfy, through deduction or withholding from any payment of any kind otherwise due to the Participant, or through such other arrangements as are satisfactory to the Committee, the amount of all federal, state, and local income and other taxes of any kind required or permitted to be withheld in connection with such issuance, vesting, exercise, or settlement (or election). The Committee, in its discretion, may permit shares of Stock to be used to satisfy tax withholding requirements, and such shares shall be valued at their Fair Market Value as of the issuance, vesting, exercise, or settlement date of the Award, as applicable. Depending on the withholding method, the Company may withhold by considering the applicable minimum statutorily required withholding rates or other applicable withholding rates in the applicable Participant's jurisdiction, including maximum applicable rates that may be utilized without creating adverse accounting treatment under Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto) and is permitted under applicable withholding rules promulgated by the Internal Revenue Service or another applicable governmental entity.

17. **Amendment of the Plan or Awards.**

(a) Amendment of Plan. The Board or the Committee may amend the Plan at any time and from time to time.

(b) Amendment of Awards. The Board or the Committee may amend the terms of any one or more Awards at any time and from time to time.

(c) Stockholder Approval; No Material Impairment. Notwithstanding anything herein to the contrary, no amendment to the Plan or any Award shall be effective without stockholder approval to the extent that such approval is required pursuant to applicable law or the applicable rules of each national securities exchange on which the Stock is listed. Additionally, no amendment to the Plan or any Award shall materially impair a Participant's rights under any Award unless the Participant consents in writing (it being understood that no action taken by the Board or the Committee that is expressly permitted under the Plan, including, without limitation, any actions described in Section 10 hereof, shall constitute an amendment to the Plan or an Award for such purpose). Notwithstanding the foregoing, subject to the limitations of applicable law, if any, and without an affected Participant's consent, the Board or the Committee may amend the terms of the Plan or any one or more Awards from time to time as necessary to bring such Awards into compliance with applicable law, including, without limitation, Section 409A of the Code.

(d) No Repricing of Awards Without Stockholder Approval. Notwithstanding Sections 17(a) or 17(b) above, or any other provision of the Plan, the repricing of Awards shall not be permitted without stockholder approval. For this purpose, a “repricing” means any of the following (or any other action that has the same effect as any of the following): (1) changing the terms of an Award to lower its exercise or base price (other than on account of capital adjustments resulting from share splits, etc., as described in Section 10(a) hereof); (2) any other action that is treated as a repricing under GAAP; and (3) repurchasing for cash or canceling an Award in exchange for another Award at a time when its exercise or base price is greater than the Fair Market Value of the underlying Stock, unless the cancellation and exchange occurs in connection with an event set forth in Section 10(b) hereof.

18. **Termination or Suspension of the Plan.**

The Board or the Committee may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the day before the tenth anniversary of the date the stockholders of the Company approve the Plan. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated; *provided, however*, that following any suspension or termination of the Plan, the Plan shall remain in effect for the purpose of governing all Awards then outstanding hereunder until such time as all Awards under the Plan have been terminated, forfeited, or otherwise canceled, or earned, exercised, settled, or otherwise paid out, in accordance with their terms.

19. **Effective Date of the Plan.**

The Plan is effective as of the Effective Date, subject to stockholder approval.

20. **Miscellaneous.**

(a) Treatment of Dividends and Dividend Equivalents on Unvested Awards. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that provides for or includes a right to dividends or dividend equivalents, if dividends are declared during the period that an equity Award is outstanding, such dividends (or dividend equivalents) shall either (i) not be paid or credited with respect to such Award, or (ii) be accumulated but remain subject to vesting requirement(s) to the same extent as the applicable Award and shall only be paid at the time or times such vesting requirement(s) are satisfied. Except as otherwise determined by the Committee, no interest will accrue or be paid on the amount of any cash dividends withheld. No dividends or dividend equivalents shall be paid on Options or Stock Appreciation Rights.

(b) Certificates. Stock acquired pursuant to Awards granted under the Plan may be evidenced in such a manner as the Committee shall determine. If certificates representing Stock are registered in the name of the Participant, the Committee may require that (1) such certificates bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Stock; (2) the Company retain physical possession of the certificates; and (3) the Participant deliver a stock power to the Company, endorsed in blank, relating to the Stock. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, that the Stock shall be held in book-entry form rather than delivered to the Participant pending the release of any applicable restrictions.

(c) Other Benefits. No Award granted or paid out under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its Affiliates nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

(d) Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Committee, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (*e.g.*, Committee consents, resolutions, or minutes) documenting the corporate action constituting the grant contain terms (*e.g.*, exercise price, vesting schedule, or number of shares of Stock) that are inconsistent with those in the Award Agreement as a result of a clerical error in connection with the preparation of the Award Agreement, the corporate records will control, and the Participant will have no legally binding right to the incorrect term in the Award Agreement.

(e) Clawback/Recoupment Policy. Notwithstanding anything contained herein to the contrary, all Awards granted under the Plan shall be and remain subject to any incentive compensation clawback or recoupment policy currently in effect or as may be adopted by the Board (or a committee or subcommittee of the Board) and, in each case, as may be amended from time to time. No such policy adoption or amendment shall in any event require the prior consent of any Participant. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for “good reason” or “constructive termination” (or similar term) under any agreement with the Company or any of its Affiliates. In the event that an Award is subject to more than one such policy, the policy with the most restrictive clawback or recoupment provisions shall govern such Award, subject to applicable law.

(f) Non-Exempt Employees. If an Option is granted to an employee of the Company or any of its Affiliates in the United States who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, the Option will not be first exercisable for any shares of Stock until at least six (6) months following the date of grant of the Option (although the Option may vest prior to such date). Consistent with the provisions of the Worker Economic Opportunity Act, (1) if such employee dies or suffers a Disability; (2) upon a Corporate Event in which such Option is not assumed, continued, or substituted; (3) upon a Change in Control; or (4) upon the Participant’s retirement (as such term may be defined in the applicable Award Agreement or a Participant Agreement or, if no such definition exists, in accordance with the Company’s then current employment policies and guidelines), the vested portion of any Options held by such employee may be exercised earlier than six months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option will be exempt from his or her regular rate of pay. To the extent permitted and/or required for compliance with the Worker Economic Opportunity Act to ensure that any income derived by a non-exempt employee in connection with the exercise, vesting, or issuance of any shares under any other Award will be exempt from such employee’s regular rate of pay, the provisions of this Section 20(f) will apply to all Awards.

(g) Data Privacy. As a condition of receipt of any Award, each Participant explicitly and unambiguously consents to the collection, use, and transfer, in electronic or other form, of personal data as described in this Section 20(g) by and among, as applicable, the Company and its Affiliates, for the exclusive purpose of implementing, administering, and managing the Plan and Awards and the Participant's participation in the Plan. In furtherance of such implementation, administration, and management, the Company and its Affiliates may hold certain personal information about a Participant, including, but not limited to, the Participant's name, home address, telephone number, date of birth, social security or insurance number or other identification number, salary, nationality, job title(s), information regarding any securities of the Company or any of its Affiliates, and details of all Awards (the "Data"). In addition to transferring the Data amongst themselves as necessary for the purpose of implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan, the Company and its Affiliates may each transfer the Data to any third parties assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan. Recipients of the Data may be located in the Participant's country or elsewhere, and the Participant's country and any given recipient's country may have different data privacy laws and protections. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain, and transfer the Data, in electronic or other form, for the purposes of assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Company or the Participant may elect to deposit any shares of Stock. The Data related to a Participant will be held only as long as is necessary to implement, administer, and manage the Plan and Awards and the Participant's participation in the Plan. A Participant may, at any time, view the Data held by the Company with respect to such Participant, request additional information about the storage and processing of the Data with respect to such Participant, recommend any necessary corrections to the Data with respect to the Participant, or refuse or withdraw the consents herein in writing, in any case without cost, by contacting his or her local human resources representative. The Company may cancel the Participant's eligibility to participate in the Plan, and in the Committee's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents described herein. For more information on the consequences of refusal to consent or withdrawal of consent, Participants may contact their local human resources representative.

(h) Participants Outside of the United States. The Committee may modify the terms of any Award under the Plan made to or held by a Participant who is then a resident, or is primarily employed or providing services, outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Award shall conform to laws, regulations, and customs of the country in which the Participant is then a resident or primarily employed or providing services, or so that the value and other benefits of the Award to the Participant, as affected by non-U.S. tax laws and other restrictions applicable as a result of the Participant's residence, employment, or providing services abroad, shall be comparable to the value of such Award to a Participant who is a resident, or is primarily employed or providing services, in the United States. An Award may be modified under this Section 20(h) in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Award is modified. Additionally, the Committee may adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Eligible Persons who are non-U.S. nationals or are primarily employed or providing services outside the United States.

(i) Change in Time Commitment. In the event a Participant's regular level of time commitment in the performance of his or her services for the Company or any of its Affiliates is reduced (for example, and without limitation, if the Participant is an employee of the Company and the employee has a change in status from a full-time employee to a part-time employee) after the date of grant of any Award to the Participant, the Committee has the right in its sole discretion to (i) make a corresponding reduction in the number of shares of Stock subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

(j) No Liability of Committee Members. Neither any member of the Committee nor any of the Committee's permitted delegates shall be liable personally by reason of any contract or other instrument executed by such member or on his or her behalf in his or her capacity as a member of the Committee or for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer, or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against all costs and expenses (including counsel fees) and liabilities (including sums paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan, unless arising out of such Person's own fraud or willful misconduct; *provided, however*, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such Person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such Persons may be entitled under the Company's certificate or articles of incorporation or by-laws, each as may be amended from time to time, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(k) Payments Following Accidents or Illness. If the Committee shall find that any Person to whom any amount is payable under the Plan is unable to care for his or her affairs because of illness or accident, or is a minor, or has died, then any payment due to such Person or his or her estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his or her spouse, child, relative, an institution maintaining or having custody of such Person, or any other Person deemed by the Committee to be a proper recipient on behalf of such Person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(l) Governing Law. The Plan shall be governed by and construed in accordance with the laws of State of Delaware, without reference to the principles of conflicts of laws thereof.

(m) Electronic Delivery. Any reference herein to a “written” agreement or document or “writing” will include any agreement or document delivered electronically or posted on the Company’s intranet (or other shared electronic medium controlled or authorized by the Company to which the Participant has access) to the extent permitted by applicable law.

(n) Arbitration. All disputes and claims of any nature that a Participant (or such Participant’s transferee or estate) may have against the Company arising out of or in any way related to the Plan or any Award Agreement shall be submitted to and resolved exclusively by binding arbitration conducted in the State of Delaware (or such other location as the parties thereto may agree) in accordance with the applicable rules of the American Arbitration Association then in effect, and the arbitration shall be heard and determined by a panel of three arbitrators in accordance with such rules (except that in the event of any inconsistency between such rules and this Section 20(n), the provisions of this Section 20(n) shall control). The arbitration panel may not modify the arbitration rules specified above without the prior written approval of all parties to the arbitration. Within ten business days after the receipt of a written demand, each party shall designate one arbitrator, each of whom shall have experience involving complex business or legal matters, but shall not have any prior, existing, or potential material business relationship with any party to the arbitration. The two arbitrators so designated shall select a third arbitrator, who shall preside over the arbitration, shall be similarly qualified as the two arbitrators, and shall have no prior, existing or potential material business relationship with any party to the arbitration; *provided*, that, if the two arbitrators are unable to agree upon the selection of such third arbitrator, such third arbitrator shall be designated in accordance with the arbitration rules referred to above. The arbitrators will decide the dispute by majority decision, and the decision shall be rendered in writing and shall bear the signatures of the arbitrators and the party or parties who shall be charged therewith, or the allocation of the expenses among the parties in the discretion of the panel. The arbitration decision shall be rendered as soon as possible, but in any event not later than 120 days after the constitution of the arbitration panel. The arbitration decision shall be final and binding upon all parties to the arbitration. The parties hereto agree that judgment upon any award rendered by the arbitration panel may be entered in the United States District Court for the District of Delaware or any Delaware state court sitting in the State of Delaware. To the maximum extent permitted by law, the parties hereby irrevocably waive any right of appeal from any judgment rendered upon any such arbitration award in any such court. Notwithstanding the foregoing, any party may seek injunctive relief in any such court.

(o) Statute of Limitations. A Participant or any other person filing a claim for benefits under the Plan must file the claim within one year of the date the Participant or other person knew or should have known of the facts giving rise to the claim. This one-year statute of limitations will apply in any forum where a Participant or any other person may file a claim and, unless the Company waives the time limits set forth above in its sole discretion, any claim not brought within the time periods specified shall be waived and forever barred.

(p) Funding. No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be required to maintain separate bank accounts, books, records, or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees and service providers under general law.

(q) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in relying, acting, or failing to act, and shall not be liable for having so relied, acted, or failed to act in good faith, upon any report made by the independent public accountant of the Company and its Affiliates and upon any other information furnished in connection with the Plan by any Person or Persons other than such member.

(r) Titles and Headings. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.
