The Board of Directors of the Company is soliciting your proxy to vote at our Annual Meeting of Stockholders to be held on December 13, 2023 (the “Annual Meeting”) (or at any postponement, adjournment or continuation of the meeting). Stockholders who own shares of our common stock as of the record date, October 20, 2023 (the “Record Date”), are entitled to vote at the Annual Meeting. You should review these proxy materials carefully as they give important information about the proposals that will be voted on at the Annual Meeting, as well as other important information about the Company.

Q: What is included in the proxy materials?

The proxy materials include:

- our proxy statement for the Annual Meeting;
- our Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended June 30, 2023; and
- the proxy card or a voting instruction form for the Annual Meeting.

Q: I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

The Securities and Exchange Commission (“SEC”) rules permit us to satisfy delivery requirements for proxy statements with respect to two or more stockholders of record sharing the same address by delivering a single copy of the the Notice of Internet Availability of proxy materials (the “Notice”) and, if applicable, the proxy materials addressed to those stockholders, a procedure called “householding.” To take advantage of this opportunity, only a copy of the Notice and, if applicable, a set of proxy materials is being delivered to all of the accounts registered with the same tax identification number or duplicate name and address, unless we received contrary instructions from one or more of the stockholders. We agree to deliver promptly, upon written or oral request, a separate copy of the Notice and, if applicable, proxy materials, to any stockholder to which a single copy of those documents was delivered. If you prefer to receive separate copies of the Notice and, if applicable, the proxy materials, contact Broadridge Financial Solutions, Inc. at 1-866-540-7095 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. Beneficial owners of shares held in street name can request information about householding from their banks, brokerage firms, or other holders of record.

Q: Why did I receive a Notice in the mail regarding the Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules adopted by the SEC, we may furnish proxy materials, including this proxy statement and our Annual Report, to our stockholders by providing access to such documents on the Internet instead of mailing copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice, which was mailed to our stockholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice.

Stockholders who own shares of our common stock as of the Record Date, are entitled to vote at the Annual Meeting. As of the Record Date, the Company had 135,884,840 shares of common stock outstanding. Holders of shares of common stock are entitled to one vote per share. Q: What will I be voting on?

You will be voting on:

1. the election of three Class III directors, John Ellis Bush, Patricia Fontneau and Ted Kennedy, Jr., to serve on the Board until the Annual Meeting to be held in 2026 and until their successors are duly elected and qualified;
2. the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending June 30, 2024; and
3. any other business as may properly come before the meeting or any adjournment of the meeting.

Q: How does the Board recommend I vote on these matters?

Registered Stockholders. If you hold shares in your own name, you are a registered stockholder and may vote during the virtual Annual Meeting at www.virtualshareholdermeeting.com/INNV2023. You will need log in by entering your unique 16-digit control number included on your Notice, proxy card or on the voting instruction form accompanying these proxy materials. Only one person will be able to log in with that unique control number at any time. You can also vote by proxy before the Annual Meeting in the following ways:

Q: How may I change or revoke my proxy?

Beneficial Stockholders. Beneficial stockholders should contact their broker, bank, trustee or nominee for instructions on how to change their proxy vote.

Registered Stockholders. Registered stockholders may change a properly executed proxy at any time before its exercise:

1. via the Internet at www.proxyvote.com;
2. by phone by calling 1-800-690-6903;
3. by signing and returning a new proxy card;
4. by sending a written notification to our Corporate Secretary at InnovAge Holding Corp., 8950 E. Lowry Boulevard, Denver, Colorado 80230; or
5. by attending and voting at the virtual Annual Meeting (although attendance at the virtual Annual Meeting will not, by itself, revoke a proxy).

Q: How can I attend and participate in the virtual Annual Meeting?

The Annual Meeting is being held as a virtual only meeting this year.

If you are a stockholder of record as of the Record Date, you may attend, vote and ask questions virtually at the meeting by logging in at www.virtualshareholdermeeting.com/INNV2023 and entering your 16-digit control number. This number is included in your Notice or proxy card.

If you are a stockholder as of the Record Date and have logged in using your 16-digit control number, you may submit a question at any point during the meeting (until the floor is closed to questions) by typing your question into the “Ask a Question” field and clicking “Submit.” Stockholder questions or comments are welcome, but we will only answer questions pertinent to Annual Meeting matters, subject to time constraints. Questions regarding personal matters and statements of advocacy are not pertinent to Annual Meeting matters and therefore will not be addressed. Questions or comments that are substantially similar may be grouped and answered together to avoid repetition. The audio broadcast of the Annual Meeting will be archived at www.virtualshareholdermeeting.com/INNV2023 for at least one year.

If you are not a stockholder as of the Record Date or do not log in using your 16-digit control number, you may still log in as a guest and listen to the Annual Meeting, but you will not be able to ask questions or vote at the meeting.

Q: What if I run into technical issues while trying to access the Annual Meeting?

The virtual meeting platform is supported across browsers and devices running the most updated version of applicable software and plug-ins. Participants should give themselves plenty of time to log in and ensure they have a strong internet connection, and they can hear streaming audio prior to the start of the meeting.

If you encounter technical difficulties with the virtual meeting platform on the meeting day, please call the technical support number that will be posted on the meeting website. Technical support will be available starting at 8:45 a.m. Eastern Time and until the end of the meeting.

Q: Why is the Annual Meeting virtual only?

We have adopted a virtual format for our Annual Meeting to provide a consistent experience to all stockholders regardless of location. Hosting a virtual meeting makes it easy for our stockholders to participate from any location in the world.

Q: How do I inspect the list of stockholders?

To examine the list of stockholders entitled to vote at the Annual Meeting at our principal executive offices, you must be a stockholder as of the Record Date and will be required to provide a copy of your Notice, proxy card or voting instruction form bearing your unique 16-digit control number and a copy of a valid picture identification, such as a driver’s license or passport, that matches the name on the Notice, proxy card or voting instruction form. You will also be able to examine the list on the date of the meeting, on the virtual platform for the Annual Meeting at www.virtualshareholdermeeting.com/INNV2023.

Q: How many shares must be present to transact business at the Annual Meeting?

A quorum of our stockholders must be present at the Annual Meeting for any business to be conducted. Under our Bylaws, the holders of a majority in voting power of our outstanding capital stock entitled to vote at

the Annual Meeting, present virtually at the Annual Meeting or represented by proxy, constitutes a quorum. If you authorize a proxy to vote electronically or telephonically, or you sign and return a paper proxy or voting instruction card, your shares will be counted to determine whether a quorum has been established even if you “withhold” your vote or fail to vote on a particular item of business. Abstentions and “broker non-votes” will also be considered present for the purpose of determining whether there is a quorum for the Annual Meeting.

If a quorum is not present or represented by proxy at the scheduled time of the Annual Meeting, (i) the chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present or represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented.

Q: What is the voting requirement to approve each of the proposals, and how are the votes counted?

PROPOSAL 1 – ELECTION OF DIRECTORS

A plurality of the votes cast by the shares of common stock present in person or represented by proxy at the meeting and entitled to vote thereon is required to elect each nominee named herein. This means that the three nominees receiving the highest number of “FOR” votes at the Annual Meeting will be elected, even if those votes do not constitute a majority of the votes cast. Votes that are “WITHHELD” with respect to one or more director nominees will result in the respective nominee receiving fewer votes, but they will not count as votes against a nominee and will have no effect on the outcome of the election of those nominees. Broker non-votes will not impact the election of the nominees.

PROPOSAL 2 – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED ACCOUNTING FIRM

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required to approve the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year 2024. Abstentions will be counted as present and entitled to vote on the proposals and will therefore have the effect of a negative vote. Since proposal 2 is considered a “routine” matter, we do not expect there to be any broker non-votes with respect to this proposal.

Q: When will the results of the vote be announced?

The preliminary voting results will be announced at the virtual Annual Meeting. The final voting results will be published in a Current Report on Form 8-K filed with the SEC within four business days of the Annual Meeting.

Q: What is the deadline for submitting a stockholder proposal or director nomination for the annual meeting to be held in 2024?

Stockholder proposals pursuant to SEC Rule 14a-8 for inclusion in the Company’s proxy statement and form of proxy for the Company’s annual meeting of stockholders to be held in 2024 must be submitted by email to our Corporate Secretary at legal@myinnovage.com no later than June 29, 2024.

Stockholders wishing to make a director nomination or bring a proposal before the annual meeting to be held in 2024 (other than pursuant to SEC Rule 14a-8) must deliver written notice of such nomination or proposal to the Corporate Secretary at the Company’s principal executive offices, at InnovAge Holding Corp., 8950 E. Lowry Boulevard, Denver, Colorado 80230, no later than the close of business on September 14, 2024 and not earlier than the close of business on August 15, 2024, assuming the Company does not change the date of the annual meeting of stockholders to be held in 2024 more than 30 days before or more than 70 days after the anniversary of this Annual Meeting. If so, written notice of such nomination or proposal must be delivered to the Corporate Secretary not earlier than the close of business on the 120th day prior to the date of the 2024 annual meeting and not later than the close of business on the later of the 10th day following the day on which public announcement of the date of our 2024 annual meeting of stockholders is first made by us and the 90th day prior to the date of our 2024 annual meeting. Any stockholder proposal or director nomination must comply with the other provisions of the Company’s Amended and Restated Bylaws (the “Bylaws”) and be submitted in writing to the Corporate Secretary at the Company’s principal executive offices at the address listed above.

In addition to satisfying the requirements under the Company’s Bylaws, in order to comply with Rule 14a-19 (the universal proxy rules) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), stockholders who intend to solicit proxies in support of director nominees, other than the Board’s

nominees, must also provide written notice that sets forth all of the information required by Rule 14a-19(b) under the Exchange Act, which notice must be postmarked or transmitted electronically to the Corporate Secretary at our principal executive offices no later than October 14, 2024. However, if the date of our 2024 annual meeting of stockholders is changed by more than 30 days from December 13, 2024, then written notice must be provided by the later of the 60th day prior to the date of our 2024 annual meeting of stockholders and the 10th day following the day on which public announcement of the date of our 2024 annual meeting of stockholders is first made by us.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Our business and affairs are managed under the direction of our Board, which is composed of nine directors. Our Charter provides that the authorized number of directors may be changed only by resolution of our Board. Our Charter also provides that our Board will be divided into three classes of directors, with the classes as nearly equal in number as possible. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the class whose term is then expiring.

The following table sets forth the director class, name, age as of October 27, 2023, and other information for each member of our Board:

| Name | Class | Age | Position | Year | | |

| John Ellis Bush | III | 70 | Director | 2021 | 2023 | 2026 |
| Patricia Fontneau | III | 61 | Director | 2023 | 2023 | 2026 |
| Ted Kennedy, Jr. | III | 62 | Director | 2021 | 2023 | 2026 |
| Andrew Cavanna | I | 49 | Director | 2021 | 2024 | |
| Thomas Scully | I | 66 | Director | 2021 | 2024 | |
| Marilyn Tavenner | I | 62 | Director | 2021 | 2024 | |
| James G. Carlson | II | 71 | Chair of the Board | 2022 | 2025 | |
| Teresa Sparks | II | 54 | Director | 2023 | 2025 | |
| Richard Zoretic | II | 65 | Director | 2021 | 2025 | |

The Board believes that in order for our Board to effectively guide us to long-term sustainable, dependable performance, it should be composed of individuals with sophistication and experience in the many disciplines that impact our business. In order to best serve our stockholders, our Board seeks to, as a whole, be competent in key corporate disciplines, including healthcare regulatory issues, accounting and financial acumen, risk management, crisis management, leadership, reputational issues, business judgment, governance, social responsibility, strategy and strategic planning. Additionally, we desire that the Board have knowledge related to our industry and, specifically related to our business, including expertise in healthcare, specifically around regulatory, government relations and non-profit healthcare businesses, matters relating to Medicare and Medicaid, regulated industries, payor capabilities, pharmacy, technology applied to our industry and others. The Compensation, Nominating and Governance Committee (the “Compensation and Nominating Committee”) believes that all directors must, at a minimum, meet the criteria set forth in the Company’s Code of Ethics and the Corporate Governance Guidelines, which specify, among other things, that the Compensation and Nominating Committee will consider criteria such as independence, diversity, age, skills, and experience in the context of the needs of the Board. In addressing issues of diversity in particular, the Compensation and Nominating Committee considers a nominee’s differences in gender and ethnicity. The Compensation and Nominating Committee believes that diversity of backgrounds, viewpoints and personal characteristics is a key attribute for a director nominee. While we do not have a formal policy on director diversity, when considering the selection of director nominees, the Compensation and Nominating Committee considers individuals with diverse viewpoints, accomplishments, cultural background, professional expertise, and diversity in gender and ethnicity, skills, personal characteristics and geographic representation, that, when considered as a group, provide a sufficient mix of perspectives to allow the Board to best fulfill its responsibilities to the long-term interests of our stockholders. Currently, of the nine directors on our Board, three are women and one male director is a director with disabilities.

The Compensation and Nominating Committee also will consider a combination of factors for each director, including those nominated by the Company’s stockholders, including (a) the nominee’s ability to represent all stockholders without a conflict of interest, (b) the nominee’s ability to work in and promote a productive environment, (c) whether the nominee has sufficient time and willingness to fulfill the substantial duties and responsibilities of a director, (d) whether the nominee has demonstrated the high level of character, ethics and integrity expected by the Company, (e) whether the nominee possesses the broad professional and leadership experience and skills necessary to effectively respond to the complex issues encountered by a publicly-traded company, (f) the nominee’s ability to apply sound and independent business judgment and (g) the diverse attributes of the nominee, such as differences in background, qualifications and personal characteristics.

The Compensation and Nominating Committee has determined that all of our directors meet the criteria and qualifications set forth in the Company's Code of Ethics, the Corporate Governance Guidelines and the criteria set forth above for director nominees. Moreover, each director possesses the following critical personal qualities and attributes that we believe are essential for the proper functioning of the Board to allow it to fulfill its duties for our stockholders: accountability, ethical leadership, governance, integrity, risk management, and sound business judgment. In addition, our directors have the confidence to assess and challenge the way things are done and recommend alternative solutions, a keen awareness of our business, and social realities of the environment in which we operate and the regulatory challenges we face, the independence and high performance standards necessary to fulfill the Board's oversight function, and the humility, professional maturity, and style to interface openly and constructively with other directors. Finally, the director biographies below include a non-exclusive description of other key experiences and qualifications that further qualify the individual to serve on the Board. These collective qualities, skills, experiences and attributes are essential to our Board's ability to exercise its oversight function for the Company and its stockholders, and guide the long-term sustainable, dependable performance of the Company.

Subject to any earlier resignation or removal in accordance with the terms of our Charter, our Bylaws and the Director Nomination Agreement (as defined and discussed below), our Class III directors will serve until this Annual Meeting, our Class I directors will serve until the annual meeting of stockholders to be held in 2024 and our Class II directors will serve until the annual meeting of stockholders to be held in 2025. In addition, our Charter provides that as long as the Principal Shareholders (as defined below) beneficially own (directly or indirectly) 40% or more of the voting power of the Company entitled to vote, directors may be removed with or without cause upon the affirmative vote of at least a majority of the voting power of our outstanding shares of stock entitled to vote thereon. However, once the Principal Shareholders cease to beneficially own in the aggregate (directly or indirectly) 40% or more of the voting power of our outstanding shares of stock, our directors may be removed only for cause upon the affirmative vote of at least 66 ²/₃% of the voting power of our outstanding shares of stock entitled to vote thereon.

Changes to the Composition of the Board of Directors in 2023

In 2023, the Board's composition was further diversified and strengthened with the addition of two female independent directors, Patricia Fontneau and Teresa Sparks. Also in 2023, Caroline Dechert, Pavithra Mahesh and Sean Traynor, affiliates of the Principal Shareholders, stepped down from the Board. Ms. Fontneau is a member of the Quality and Compliance Committee and Ms. Sparks is the Chair of the Audit Committee. Changes to the composition of our Board in 2023 responded, in part, to a review of director skills by the Board as the Company seeks to return to growth while maintaining high quality regulatory compliance and effective risk management. The Compensation and Nominating Committee and the Board were also focused on continuing the Board's gender diversity.

In recommending Ms. Fontneau's appointment, the Compensation and Nominating Committee and the Board considered Ms. Fontneau's executive leadership roles in Colorado's public health insurance marketplace as well as on the national and global stage with Cigna. The Compensation and Nominating Committee and the Board also considered her payor-side experience to enhance and balance the diverse skills of the Board at a time when the Company is focused on various initiatives, including refining its payor capabilities. Ms. Fontneau also has significant experience with regulatory oversight, including specifically the nonprofit healthcare industry, which has been a focus of our regulators in the assessment of our company. The Compensation and Nominating Committee and the Board believed all this experience would be valuable as the Company continues to strengthen relationships with regulators and seeks to grow its business.

In recommending Ms. Sparks' appointment, the Compensation and Nominating Committee and the Board considered Ms. Sparks' diverse experience in multiple sectors, including in financial services, life sciences, specialty pharmacy, healthcare services, and technology, which would complement the current skills of the Board. Ms. Sparks has decades working with large public and private companies that operate in highly regulated, healthcare-focused industries and extensive financial and accounting experience that the Compensation and Nominating Committee and the Board believed would be highly relevant, especially as the Company continues to mature as a public company and the Board continues to focus on the sophistication of the company's financial and accounting reporting.

In addition, as previously disclosed, in 2022, the Board appointed Mr. Carlson as independent Chair of the Board. In recommending Mr. Carlson's appointment, the Compensation and Nominating Committee considered

Mr. Carlson’s extensive experience and acquired skills in the healthcare industry, including coordinated, value-based care for frail seniors in government-sponsored programs. During Mr. Carlson’s first year as Board Chair, the Board and the Company have benefitted from Mr. Carlson’s professional and leadership experience in conducting Board meetings, setting agendas and advising management, amongst other contributions.

Board Diversity Matrix

The Board believes the current nominees embody a diverse range of viewpoints, backgrounds and skills, including with respect to gender diversity. In accordance with Nasdaq’s Board Diversity Rules, the following Board Diversity Matrix provides certain information regarding the composition of our Board as of October 27, 2023. Each of the categories listed in the table has the meaning ascribed to them in Nasdaq Rule 5605(f). Diversity characteristics not applicable to our Board have been excluded from this table. To see our Board diversity matrix as of October 28, 2022, see our proxy statement filed with the SEC on October 28, 2022.

In addition, the Principal Shareholders are entitled to designate the replacement for any of their Board designees whose Board service terminates prior to the end of the director’s term regardless of the Principal Shareholders’ beneficial ownership at such time. The Director Nomination Agreement also provides for certain consent rights for each of the Principal

Shareholders so long as such stockholder owns at least 5% of the Original Amount, including for any increase to the size of our Board. Additionally, the Director Nomination Agreement prohibits us from increasing or decreasing the size of our Board without the prior written consent of the Principal Shareholders for so long as either of our Principal Shareholders hold at least 5% of the total outstanding voting power. The Director Nomination Agreement will terminate at such time as the Principal Shareholders own less than 5% of our outstanding common stock.

Stockholder Recommendations for Director Nominees

The Compensation and Nominating Committee will consider stockholder nominations for membership on the Board. For the annual meeting to be held in 2024, nominations may be submitted by email to our Corporate Secretary at the Company's principal executive offices, at InnovAge Holding Corp., 8950 E. Lowry Boulevard, Denver, Colorado 80230, and such nominations will then be forwarded to the Chair of the Compensation and Nominating Committee. Recommendations must be in writing, and we must receive the recommendation no later than the close of business on September 14, 2024 and not earlier than the close of business on August 15, 2024 assuming the Company does not change the date of the annual meeting of stockholders to be held in 2024. Recommendations must also include certain other procedural requirements as specified in our Bylaws.

In addition to satisfying the requirements under the Company's Bylaws, in order to comply with Rule 14a-19 (the universal proxy rules) under the Exchange Act, stockholders who intend to solicit proxies in support of director nominees, other than the Board's nominees, must also provide written notice that sets forth all of the information required by Rule 14a-19(b) under the Exchange Act, which notice must be postmarked or transmitted electronically to the Corporate Secretary at our principal executive offices no later than October 14, 2024 assuming the Company does not change the date of the annual meeting of stockholders to be held in 2024.

For more information, see "Commonly Asked Questions and Answers About the Annual Meeting—Q: What is the deadline for submitting a stockholder proposal or director nomination for the annual meeting to be held in 2024?"

When filling a vacancy on the Board, the Compensation and Nominating Committee will identify the desired skills and experience of a new director and will nominate individuals who it believes can strengthen the Board's capabilities and further diversify the collective experience represented by the then-current directors. The Compensation and Nominating Committee may engage third parties to assist in the search and provide recommendations. Also, directors are generally asked to recommend candidates for the position. The candidates will then be evaluated based on the process outlined in our Corporate Governance Guidelines and the Compensation and Nominating Committee charter, and the same process will be used for all candidates, including candidates recommended by stockholders.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Board recommends that the nominees below be elected as members of the Board at the Annual Meeting.

| Name | Class | Age | Position | Director Since | Year | |
|-----------------------------|-------|-----|----------|----------------|----------------------|--|
| | | | | | Current Term Expires | Expiration of Term For Which Nominated |
| John Ellis Bush | III | 69 | Director | 2021 | 2023 | 2026 |
| Ted Kennedy Jr. | III | 61 | Director | 2021 | 2023 | 2026 |
| Patricia Fontneau | III | 61 | Director | 2023 | 2023 | 2026 |

Each nominee is currently a member of our Board and was recommended for re-election by the Compensation and Nominating Committee for consideration by the Board and our stockholders. If, before the Annual Meeting, any nominee becomes unable to serve, or chooses not to serve, the Board may nominate a substitute. If that happens, the persons named as proxies on the proxy card will vote for the substitute. Alternatively, the Board may either let the vacancy stay unfilled until an appropriate candidate is identified or reduce the size of the Board to eliminate the unfilled seat.

Vote Required

Under our Bylaws, a plurality of the votes cast by the shares of common stock present in person or represented by proxy at the meeting and entitled to vote thereon is required to elect each nominee named herein. This means that the three nominees receiving the highest number of “FOR” votes at the Annual Meeting will be elected, even if those votes do not constitute a majority of the votes cast. Failure to vote by proxy or to vote electronically at the Annual Meeting and votes that are “WITHHELD” with respect to one or more director nominees will result in the respective nominee receiving fewer votes, but they will not count as votes against a nominee and will have no effect on the outcome of the election of those nominees. Broker non-votes will not impact the election of the nominees.

THE BOARD RECOMMENDS THAT YOU VOTE “FOR” EACH OF THE DIRECTOR NOMINEES.

Controlled Company; Independence Status

Our Principal Shareholders control a majority of our outstanding common stock. As a result, we are a "controlled company" under the listing standards of Nasdaq. Under Nasdaq rules, a company of which more than 50% of the voting power for the election of directors is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance requirements, including the requirements that:

- we have a Board that is composed of a majority of "independent directors," as defined under the rules of Nasdaq;
- we have a compensation committee that is composed entirely of independent directors; and
- nominees to our Board be selected, or recommended for the Board's selection, either by: (a) independent directors constituting a majority of the Board's independent directors in a vote in which only independent directors participate; or (b) a nominations committee comprised solely of independent directors.

We currently rely on certain of these exemptions. Accordingly, you may not have the same protections afforded to stockholders of companies that are subject to all of the Nasdaq corporate governance requirements.

The Board has affirmatively determined that none of the following directors (nor any of his or her family members) has a relationship with the Company which, in its opinion, would interfere with her or his exercise of independent judgment in carrying out the responsibilities of a director of the Company, and therefore, each of the following directors qualifies as an independent director in accordance with Nasdaq’s listing standards: Mr. Bush, Mr. Carlson, Ms. Fontneau, Mr. Kennedy, Ms. Sparks, Ms. Tavenner and Mr. Zoretic. In addition, the Board has determined that each of Ms. Sparks, Ms. Tavenner and Mr. Zoretic meets the heightened independence requirements for audit committee membership as set forth in Rule 10A-3 under the Exchange Act and the applicable listing standards of Nasdaq. In making these determinations, the Board considered the relationships (if any) that each director (and any of his or her family members) has with the Company and such other facts and circumstances that the Board deemed relevant in making a determination of independence, including beneficial ownership of our common stock.

Board Meetings and Committees

Our Board has an Audit Committee, a Compensation and Nominating Committee, and a Quality and Compliance Committee. The composition, duties and responsibilities of these committees are as set forth below. In the future, our Board may establish other committees, as it deems appropriate, to assist it with its responsibilities.

For the fiscal year ended June 30, 2023, the Board held four meetings, the Audit Committee held seven meetings, the Compensation and Nominating Committee held four meetings and the Quality and Compliance Committee held four meetings. Directors are expected to attend the annual meeting of stockholders and all or substantially all of the Board meetings and meetings of committees on which they serve. For the annual meeting held on December 13, 2022, all directors then in office attended such meeting and during the fiscal year 2023 each director attended at least 75% of the meetings of the Board during such director’s tenure and the total number of meetings held by any of the committees of the Board on which the director served.

Each of our standing committees has a written charter which is available on the Investor Relations page of our website at <https://investor.innovage.com>. Our website is not part of the Notice and proxy statement.

The table below sets forth the composition of our Board committees as of October 27, 2023:

Board Leadership Structure

The following section describes our Board leadership structure, the reasons our Board considers that this structure is appropriate at this time, the roles of various positions, and related key governance practices. Our Board believes that the mix of experienced independent directors and directors affiliated with our Principal Shareholders that currently make up our Board, our Board committee composition and the separation of the roles of Chair and Chief Executive Officer benefit the Company and its stockholders.

Independence

Our Board has an effective mix of independent directors and non-independent directors. Our Board includes two representatives from our Principal Shareholders, and seven independent directors, including our current Chair, Mr. Carlson.

Separate Chair and Chief Executive Officer

With respect to the roles of Chair and Chief Executive Officer, the Corporate Governance Guidelines provide that the roles may be separated or combined, and the Board will exercise its discretion in combining or separating these positions as it deems appropriate in light of prevailing circumstances. Since our initial public offering in 2021, the roles of Chair and Chief Executive Officer have been separated. The Board believes that this structure clarifies the individual roles and responsibilities of Chief Executive Officer and Chair, streamlines decision-making, and enhances accountability.

Our President and Chief Executive Officer, Mr. Patrick Blair, has not been appointed as a member of the Board. The Board believes that not having the Chief Executive Officer be a member of the Board and separating the roles of Chair and Chief Executive Officer is the most effective leadership structure because it allows Mr. Blair to focus on the management of the Company, day-to-day operations and engaging with external stakeholders, including regulators.

Our Chair, Mr. Carlson, an independent member of the Board, focuses his attention on the broad strategic issues considered by the Board leveraging his strong public company background to provide strategic guidance and effective oversight of management, engaging frequently with the Chief Executive Officer between Board meetings and providing overall guidance, mentoring and advice to our Chief Executive Officer as well as providing him with insights as to the Board's views and perspectives. During Mr. Carlson's tenure, among other matters, Mr. Carlson has focused his attention on the Board's and committees' self-evaluation process, which informed, in part, the recruiting and addition of two new independent female directors. In addition, Mr. Carlson has focused his attention on the company's return to growth post-sanction, setting expectations and providing feedback to management with respect to the Board's oversight of the Company's responsible growth. Mr. Carlson also ensures that directors have ample opportunities to meet in executive session.

Self-Evaluation

Spearheaded by Mr. Carlson, our Compensation and Nominating Committee conducts annual performance evaluations to determine whether the Board, its committees, and management are functioning effectively. This evaluation includes survey materials soliciting feedback on a range of issues, including the Board and committee structure and composition, meeting process and dynamics, execution of key responsibilities, interaction with advisors and other parties, such as auditors, and information and resources. The evaluation focuses on the Board's and the committees' contributions to the Company, with an enhanced focus on areas in which the Board or management believes that the Board could improve.

As part of the annual Board self-evaluation, the Board evaluates its leadership structure, the skills and composition of the directors and the Board as a whole, and management growth.

Management Succession

The Compensation and Nominating Committee reviews and approves corporate goals and objectives relevant to Chief Executive Officer's compensation and evaluates the Chief Executive Officer's performance in light of these goals and objectives. The Compensation and Nominating Committee recommends to the Board, the Chief Executive Officer's compensation level or changes to such level based on the evaluation of the Chief Executive Officer's performance and any other factors the Compensation and Nominating Committee deems relevant.

The entire Board works with the Compensation and Nominating Committee to evaluate potential successors to the Chief Executive Officer. The Chief Executive Officer and other officers make available their recommendations and evaluations of potential successors, along with a review of any development plans and recommendations for such individuals. The Board's review of Chief Executive Officer succession not only encompasses potential successor candidates but also focuses on senior management's organizational structure. In light of the Company's release from audit sanctions and a priority to return to growth (while maintaining high-quality service), the Board's review of succession also focuses on an assessment of whether specific duties and responsibilities of the Chief Executive Officer could be executed by other members of senior management.

Hedging and Pledging Transactions

Pursuant to our Insider Trading Policy, we prohibit our employees, directors and officers from engaging in hedging transactions, including the use of financial instruments such as prepaid variable forwards, equity swaps, collars and exchange funds. Such hedging transactions may permit a director, officer or employee to continue to own Company securities obtained through employee benefit plans or otherwise, but without the full risks and rewards of ownership. When that occurs, the director, officer or employee may no longer have the same objectives as the Company's other stockholders. Additionally, directors, officers and other employees are prohibited from holding our securities in a margin account or otherwise pledging our securities as collateral for a loan.

Risk Oversight

Our Board oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, to improve long-term organizational performance, and to enhance stockholder value. A fundamental part of risk management is not only understanding the most significant risks a company faces and

what steps management is taking to manage those risks but also understanding what level of risk is appropriate for a given company. The involvement of our full Board in reviewing our business is an integral aspect of its assessment of the Company's risk profile and also its determination of what constitutes an appropriate level of risk.

While our full Board has overall responsibility for risk oversight, it has delegated primary oversight of certain risks to its committees. The Board assesses committee composition so that those directors with most valuable experience managing the risks overseen by the respective committees are members of those committees. Our Audit Committee monitors our major financial risk exposures and cybersecurity risks, and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our Audit Committee is committed to the prevention, timely detection, and mitigation of the effects of cybersecurity threats or incidents to the Company. Our Compensation and Nominating Committee oversees the design and implementation of our compensation and benefits programs and policies and monitors the incentives created by these programs and policies to determine whether they encourage excessive risk-taking. Our Compensation and Nominating Committee also assesses the relationship between risk management policies and practices and compensation, and evaluates compensation policies and practices that could mitigate any such risk. Our Compensation and Nominating Committee also oversees other human capital matters, such as talent development and promotion, and our major corporate governance risks. Our Quality and Compliance Committee oversees compliance with regulatory requirements and the Company's strategies and progress with respect to ongoing and potential audits as well as remediation efforts. Management provides our Quality and Compliance and Audit Committees periodic reports on our compliance programs.

In connection with its reviews of the operations of our business, our full Board addresses the primary risks associated with our business, including return to growth while maintaining high quality service, regulatory and legal risks, and strategic planning. At this time, the Board believes that having an independent Chair separate from the Chief Executive Officer position, enhances the Board's independent oversight of management and the Company's strategic planning and risk mitigation measures at a critical time for the Company's operations as it seeks a return to growth while maintaining high quality services. Additionally, the Chair of the Board ensures that there is sufficient time on the Board agenda for executive meetings of the Board. Our Board appreciates the evolving nature of our business and industry and is actively involved with monitoring new threats and risks as they emerge. Our Board has also focused on the Company's response and legal strategy relating to the various legal actions and proceedings the Company currently faces.

Our Board dictates strategy and oversees management's efforts relating to organic and inorganic growth, including the Company's efforts to open de novo centers in certain states, such as California and Florida, grow participant enrollment, and form partnerships or pursue acquisition opportunities. In addition, our Board closely monitors the development, response, results and strategies relating to routine and non-routine governmental inspections, reviews and audits, working closely with the Quality and Compliance Committee in overseeing and devising strategy with respect to management's response to such inspections, reviews and audits. The Board also monitors management's engagement with the appropriate authorities to make the necessary changes and implement measures adopted in our centers under audit throughout all our centers, not only to satisfy federal and state government agencies' concerns, but most importantly to enhance the quality of care provided. .

We are committed to ensuring our Board and its committees are consistently updated on threats to our business and receive consistent updates on risk mitigation processes. At periodic meetings of our Board and its committees, management reports to and seeks guidance from our Board and its committees with respect to what we believe are the most significant risks that could affect our business, such as legal and regulatory risks, privacy risks, and financial, tax and audit related risks.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. Our Code of Ethics is available on the Investor Relations page of our website at <https://investor.innovage.com>. Any substantive amendments to or waivers from the Code of Ethics (to the extent applicable to our Chief Executive Officer, Chief Financial Officer or officers responsible for financial reporting) will be disclosed on this page of the Company's website.

Compensation Committee Interlocks and Insider Participation

EXECUTIVE AND DIRECTOR COMPENSATION

The following section provides compensation information pursuant to the scaled disclosure rules applicable to “emerging growth companies” and “smaller reporting companies” under the rules of the SEC and may contain statements regarding future individual and company performance targets and goals. These targets and goals should not be understood to be statements of management’s expectations or estimates of results or other guidance. We specifically caution investors not to apply these statements to other contexts.

We are currently considered an “emerging growth company” and “smaller reporting company” within the meaning of the Securities Act, for purposes of the SEC’s executive compensation disclosure rules. Accordingly, we are required to provide a Summary Compensation Table and an Outstanding Equity Awards at Fiscal Year-End Table, as well as limited narrative disclosures regarding executive compensation for our last completed fiscal year.

Overview

This section discusses the material components of the executive compensation program for our Chief Executive Officer, and our two most highly compensated officers other than our Chief Executive Officer (collectively, our “Named Executive Officers”) for the fiscal year ended June 30, 2023. For the fiscal year ended June 30, 2023, our Named Executive Officers and their positions were as follows:

- Patrick Blair, President and Chief Executive Officer;
- Nicole D’Amato, Chief Legal Officer and Corporate Secretary; and
- Richard Feifer, Chief Medical Officer.

Historically, the compensation of our Named Executive Officers has consisted of a base salary, annual cash bonus opportunities, long-term incentive compensation in the form of equity awards and other benefits, as described below. As described below, Named Executive Officers are also eligible to receive certain payments and benefits upon a termination of employment under certain circumstances in accordance with the terms of their employment agreements.

Compensation Processes and Procedures

The Compensation, Nominating and Governance Committee determines and approves the compensation of our Named Executive Officers, except for our Chief Executive Officer, whose compensation is recommended to the Board by the Compensation, Nominating and Governance Committee. During fiscal year 2023, the Compensation, Nominating and Governance Committee evaluated our executive compensation programs, including competitive pay benchmarking, overall compensation and benefits programs and policies, and stayed abreast of broader market practices and trends.

Annually, the Compensation, Nominating and Governance Committee evaluates the performance of our Chief Executive Officer based on the corporate goals and objectives relevant to his compensation that the Board establishes at the start of the respective fiscal year and evaluates the Chief Executive Officer’s performance in light of these goals and objectives. It is our policy that our Chief Executive Officer does not actively participate in his own performance evaluation undertaken by the Compensation, Nominating and Governance Committee and the Board and does not recommend his own compensation. The Compensation, Nominating and Governance Committee annually reviews and evaluates the overall compensation philosophy in determining the compensation of all other Named Executive Officer compensation. The Named Executive Officers do not play any role in decisions affecting their compensation, except for discussing their annual, individual performance goals with our Chief Executive Officer.

Compensation Risk Assessment

In reviewing our compensation programs, the Compensation, Nominating and Governance Committee considers whether the programs encourage unnecessary or excessive risk taking. During fiscal year 2023, the Compensation, Nominating and Governance Committee performed a risk assessment of the Company’s compensation programs, which included a review of the design and features of the programs and also took into consideration compensation philosophy, performance management and program governance. After reviewing and

discussing the results of the risk assessment, the Compensation, Nominating and Governance Committee does not believe that the Company's compensation programs create risks that are reasonably likely to have a material adverse effect on the Company.

Clawback Policy

We have adopted a clawback policy effective as of September 7, 2023 that complies with Nasdaq's new clawback rules promulgated under Section 10D of the Exchange Act and the rules promulgated thereunder. In the event the Company is required to prepare an accounting restatement of its financial statements due to the Company's material noncompliance with any such financial reporting requirement, the clawback policy requires that covered executives must reimburse the Company, or forfeit, any excess incentive-based compensation received by such covered executive during the three completed fiscal years immediately preceding the date on which the Company is required to prepare the restatement. Executives covered by the clawback policy are current and former executive officers, as determined by the Compensation, Nominating and Governance Committee in accordance with Section 10D of the Exchange Act and the Nasdaq listing standards. Incentive-based compensation subject to the clawback policy includes any cash or equity compensation that is granted, earned or vested based wholly or in part on the attainment of a financial reporting measure. The amount subject to recovery is the excess of the incentive-based compensation received based on the erroneous data over the incentive-based compensation that would have been received had it been based on the restated results. The clawback policy will only apply to incentive-based compensation received on or after the effective date of Nasdaq Listing Rule 5608.

Equity Compensation

We maintain the InnovAge Holding Corp. 2021 Omnibus Incentive Plan (the "Plan") to assist the Company in attracting, retaining, motivating, and rewarding certain employees, officers, directors, and consultants of the Company and promoting the creation of long-term value for stockholders of the Company by closely aligning the interests of such individuals with those of such stockholders. The Plan authorizes the award of stock-based and cash-based incentives to eligible service providers to encourage such eligible service providers to expend maximum effort in the creation of stockholder value. In fiscal year 2023, we granted restricted stock units to certain of our Named Executive Officers that are subject to time-based vesting requirements as set forth in the applicable award agreements. For more information regarding the equity compensation paid to our Named Executive Officers, see "Potential Payments upon Termination or Change in Control" below.

Other Benefits

We currently provide broad-based welfare benefits that are available to all of our employees, including our Named Executive Officers, and include health, dental, life, vision and short- and long-term disability insurance.

In addition, we maintain, and the Named Executive Officers participate in, a 401(k) plan, which is intended to be qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis, and we match up to 2% of the employee's eligible earnings. Employees' pre-tax contributions and our matching contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participant's directions.

We also maintain the InnovAge Deferred Compensation Plan (the "Deferred Compensation Plan"), which is a nonqualified deferred compensation plan subject to Section 409A of the Code. Pursuant to the Deferred Compensation Plan, an eligible employee may elect to defer up to 100% of his or her base salary and annual bonus award. All participant deferrals of compensation are 100% vested at all times, and plan assets are distributed upon the participant's separation from service, either in a lump sum or over a five-year period, as elected by the participant in a manner compliant with Section 409A of the Code. The Deferred Compensation Plan provides for a discretionary employer match up to a maximum of 5% of the participant's base salary.

Profits Interests

During fiscal year 2021, following the consummation of the Apax Transaction, certain of our executives received awards of Profits Interests of our parent at the time, TCO Group Holdings, L.P. (“TCO Group Holdings”), pursuant to the 2020 Equity Incentive Plan, which are intended to be treated as “profits interests” for U.S. federal income tax purposes.

The 2020 Equity Incentive Plan is administered by the board (the “Administrator”) of TCO Group Holdings. The Administrator has the authority to administer and interpret the 2020 Equity Incentive Plan, to determine individuals eligible for any grant of the Profits Interests, to determine, alter, amend, modify or waive the terms and conditions of any award of Profits Interests and to prescribe the purchase price or Hurdle Amount (as defined in the 2020 Equity Incentive Plan) applicable to any award of Profits Interests.

Following our fiscal year end, on August 30, 2023, Mr. Blair received a grant of 1,100,000 Profits Interests. Fifty percent of such Profits Interests are subject to time-based vesting, vesting annually in substantially equal installments over four years on the first four anniversaries of the vesting commencement date. The remaining 50% of such Profits Interests are subject to performance-based vesting, and will vest as to (i) 33% if, upon the consummation of a Change of Control (as defined below), Ignite Aggregator LP, the vehicle through which Apax Partners holds its investment in TCO Group Holdings (the “Apax Investor”), achieves a multiple on invested capital (as calculated pursuant to the Second Amended and Restated Limited Partnership Agreement of TCO Group Holdings) (“MOIC”) equal to at least two times; and (ii) 100% if, upon the consummation of a Change of Control, the Apax Investor achieves a MOIC equal to at least two and one-half times, in each case, subject to continued employment through the date of such Change of Control. None of the performance-based Profits Interests will vest if the Apax Investor achieves a MOIC less than two times as of a Change of Control.

The time-based Profits Interests are subject to (A) pro-rata vesting upon a termination without “cause,” due to death or disability or for “good reason” (each as defined in Mr. Blair’s employment agreement) that occurs prior to the one-year anniversary of the vesting commencement date, and (B) 100% acceleration upon a Change of Control, subject to continued service through such date. The performance-based Profits Interests will remain eligible to vest following a termination without “cause,” due to death or disability or for “good reason” (in each case pursuant to the terms of the employment agreement) that occurs within the 120-day period preceding the execution of a definitive agreement that ultimately results in a Change of Control.

Change of Control is defined as (a) the sale of all or substantially all of the assets (including shares of common stock of the Company) of TCO Group Holdings and its subsidiaries on a consolidated basis to unaffiliated parties, (b) a merger, reorganization, consolidation or other similar corporate transaction of TCO Group Holdings as a result of which, unaffiliated parties beneficially own a majority of the outstanding voting securities, and rights to the majority of the residual economic interests in the common equity, of a successor entity, or (c) the acquisition of a majority of the outstanding voting securities, and rights to the majority of the residual economic interests in the common equity, of TCO Group Holdings by unaffiliated parties.

Each Named Executive Officer is subject to non-competition, non-interference, non-solicitation and non-hire covenants during employment and for 24 months (in the case of Mr. Blair) or 12 months (in the case of Ms. D'Amato and Dr. Feifer) thereafter, as well as perpetual confidentiality and assignment of inventions covenants (provided that, with respect to Ms. D'Amato, the non-competition covenant will not restrict her practice of law after termination).

Stock Options and Restricted Stock Units

Pursuant to Mr. Blair's award agreements, the time-vesting stock options and restricted stock units are subject to 100% acceleration upon a Change of Control (as defined in the Plan), provided Mr. Blair has not experienced a termination prior to the Change in Control.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Approval of Related Party Transactions

We have adopted a written policy with respect to the review, approval and ratification of related party transactions. Under the policy, our Audit Committee is responsible for reviewing and approving related party transactions. In the course of its review and approval of related party transactions, our Audit Committee considers the relevant facts and circumstances to decide whether to approve such transactions. In particular, our policy requires our Audit Committee to consider, among other factors it deems appropriate:

- the related person's relationship to us and interest in the transaction;
- the material facts of the proposed transaction, including the proposed aggregate value of the transaction;
- the impact on a director's independence in the event the related person is a director or an immediate family member of the director or director nominee;
- the benefits to us of the proposed transaction
- if applicable, the availability of other sources of comparable products or services; and
- an assessment of whether the proposed transaction is on terms that are comparable to the terms available to an unrelated third party or to employees generally.

The Audit Committee may only approve those transactions that are in, or are not inconsistent with, our best interests and those of our stockholders, as the Audit Committee determines in good faith.

In addition, under our Code of Ethics our employees, directors and executive officers must disclose any transaction or relationship that reasonably could be expected to give rise to a conflict of interest.

Related Party Transactions

Other than compensation arrangements for our directors and named executive officers, which are described in the section entitled "Executive and Director Compensation" elsewhere in this proxy statement, below we describe transactions during the fiscal year ended June 30, 2022 and June 30, 2023 to which we were a participant or will be a participant, in which:

- the amounts involved exceeded or will exceed \$120,000; or
- 1% of the average of our total assets at June 30, 2022 and 2023,

and, in which any of our directors, executive officers, or holders of more than 5% of our capital stock, or any member of the immediate family of, or person sharing the household with, the foregoing persons, had or will have a direct or indirect material interest.

Director Nomination Agreement

In connection with our initial public offering, we entered into a Director Nomination Agreement with the Principal Shareholders that provides each the right to designate nominees for election to our Board. The Principal Shareholders may also assign their designation rights under the Director Nomination Agreement to an affiliate. See "*Board of Directors and Corporate Governance—Director Nomination Agreement*" for a description of the Director Nomination Agreement.

Registration Rights Agreement

We are party to a Registration Rights Agreement with the Principal Shareholders pursuant to which the Principal Shareholders are entitled to request that we register the Principal Shareholders' shares on a long-form or short-form registration statement on one or more occasions in the future, which registrations may in certain circumstances be "shelf registrations." The Principal Shareholders will also be entitled to participate in certain of our registered offerings, subject to the restrictions in the Registration Rights Agreement. We will pay certain of the Principal Shareholders' expenses in connection with the Principal Shareholders' exercise of these rights. The registration rights described in this paragraph apply to (i) shares of our common stock held by the Principal

Shareholders and their affiliates and (ii) any of our capital stock (or that of our subsidiaries) issued or issuable with respect to the common stock described in clause (i) with respect to any dividend, distribution, recapitalization, reorganization, or certain other corporate transactions, or Registrable Securities as defined in the Registration Rights Agreement. These registration rights are also for the benefit of any subsequent holder of Registrable Securities; provided that any particular securities will cease to be Registrable Securities when they have been sold in a registered public offering, sold in compliance with Rule 144 of the Securities Act, or repurchased by us or our subsidiaries. In addition, with the consent of the Company and holders of a majority of Registrable Securities, any Registrable Securities held by a person other than the Principal Shareholders and their affiliates will cease to be Registrable Securities if they can be sold without limitation under Rule 144 of the Securities Act.

Indemnification of Officers and Directors

We have entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under the Delaware General Corporation Law. Additionally, we may enter into (i) indemnification agreements with any new directors or officers that may be broader in scope than the specific indemnification provisions contained in Delaware law and (ii) standard policies of insurance that provide coverage to (1) our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and (2) us with respect to indemnification payments that we may make to such directors and officers.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information about the beneficial ownership of our common stock as of October 13, 2023 for:

- each person or group known to us who beneficially owns more than 5% of our common stock;
- each of our directors;
- each of our Named Executive Officers; and
- all of our directors and executive officers as a group.

The numbers of shares of common stock beneficially owned and percentages of beneficial ownership are based on 135,884,840 shares of common stock outstanding as of October 13, 2023.

Beneficial ownership for the purposes of the following table is determined in accordance with the rules and regulations of the SEC. These rules generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire such powers within 60 days. Common stock subject to options or restricted stock units (“RSUs”) that are currently exercisable or exercisable or will vest within 60 days of October 13, 2023 are deemed to be outstanding and beneficially owned by the person holding the options or RSUs. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Except as disclosed in the footnotes to this table and subject to applicable community property laws, we believe that each stockholder identified in the table possesses sole voting and investment power over all common stock shown as beneficially owned by the stockholder.

Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the year ended June 30, 2023, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with, except that due to administrative error, one award of restricted stock units granted to each of Ms. Bent, Ms. D’Amato and Dr. Feifer were not timely reported.

PROPOSAL 2 – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Deloitte & Touche LLP as our independent registered public accounting firm for the year ending June 30, 2024. Services provided to the Company and its subsidiaries by Deloitte & Touche LLP for the year ended June 30, 2023 are described below and under “Audit Committee Report.”

Fees and Services

The following table summarizes the aggregate fees for professional audit services and other services, if applicable, rendered by Deloitte & Touche LLP for the years ended June 30, 2023 and 2022:

| | <u>2023</u> | <u>2022</u> |
|---|--------------------|------------------|
| Audit Fees ⁽¹⁾ | \$1,029,180 | \$850,000 |
| Audit-Related Fees ⁽²⁾ | 42,843 | — |
| Tax Fees | — | — |
| All Other Fees | — | — |
| Total | <u>\$1,072,023</u> | <u>\$850,000</u> |

(1) Consist of fees for the audit and other procedures in connection with the Annual Reports on Form 10-K for the years ended June 30, 2023 and 2022 and the review of our financial statements for the quarterly periods in those fiscal years.

(2) Includes the aggregate fees for the audit of the annual financial statements of the Company’s 401(k) plan.

In considering the nature of the services provided by the independent auditor, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with the independent auditor and the Company’s management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

The Audit Committee has adopted a policy that requires advance approval of all audit services as well as non-audit services to the extent required by the Exchange Act and the Sarbanes-Oxley Act of 2002. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. Each year, the Audit Committee will pre-approve audit services, audit-related services and tax services to be used by the Company.

The Audit Committee approved all services provided by Deloitte & Touche LLP. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so, and we expect that they will be available to respond to questions.

Ratification of the appointment of Deloitte & Touche LLP requires affirmative votes from the holders of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. If the Company’s stockholders do not ratify the appointment of Deloitte & Touche LLP, the Audit Committee will reconsider the appointment and may affirm the appointment or retain another independent accounting firm. Even if the appointment is ratified, the Audit Committee may in the future replace Deloitte & Touche LLP as our independent registered public accounting firm if it is determined that it is in the Company’s best interests to do so.

THE AUDIT COMMITTEE AND THE BOARD RECOMMENDS THAT YOU VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING JUNE 30, 2024.

AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act or the Exchange Act that might incorporate by reference this proxy statement, in whole or in part, the following report shall not be incorporated by reference into any such filings.

The Audit Committee oversees our financial reporting process and Enterprise Risk Management program on behalf of the Board. This report reviews the actions taken by the Audit Committee with regard to our financial reporting process during fiscal year 2023.

All of the members of the Audit Committee are independent. None of the committee members is or has been an officer or employee of the Company or any of our subsidiaries or has any current business or any family relationships with the Company or any of its subsidiaries or affiliates.

Our management has the primary responsibility for the financial statements and reporting process, including the systems of internal controls. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to select annually the accountants to serve as our independent auditors for the coming year.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended June 30, 2023, including a discussion of the quality, rather than just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee also discussed with the independent auditors their judgments as to the quality, rather than just the acceptability, of our accounting principles and such other matters as are required to be discussed under the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") and the SEC. In addition, the Audit Committee discussed with the auditors their independence from management and the Company, and received the written disclosures and the letter required by the PCAOB regarding the independent auditors' communications with the Audit Committee regarding independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended June 30, 2023 for filing with the SEC.
